Dear Sir:-

In response to your card of the 11th, I beg to advise that the American Journal of Numismatics is published annually to members it is sent without charge. Membership involves a payment of only five (\$5) dollars and this is the charge for the Journal to those who desire single copies and who do not desire to become members.

I should be very glad to send you a copy for examination if you would so desire and if you care to consider becoming an Associate Member of the Society it would give me great pleasure to propose your name. I am taking the liberty of enclosing a card for membership. I shall however, be pleased to send you the Journal for examination whether or not you become an associate.

Very respectfully yours,

(Two enclosures.)

Secretary..
